

What is Atlys ?

Atlys is a mobile visa application app designed to make the process of applying for visas easy and fast. With Atlys, you can start your application from anywhere in the world, complete your applications in minutes, use your phone camera to scan documents, and more. Additionally, Atlys provides step-by-step guidance throughout the entire process so that even those who are unfamiliar with visas can apply confidently and quickly.

What makes Atlys different ?

Atlys offers an easy and user-friendly visa experience for travelers who are fed up with confusing and time-consuming visa application processes. What's more, Atlys uses advanced encryption technology that protects your data and ensures its safety while you use our service. Because your information is safely stored on the app, it can be reused for your next visa application—allowing you to apply in seconds.

Is Atlys safe to use ?

Absolutely! Atlys is committed to putting your security and privacy first. We use the latest encryption technology to make sure your data is secure, and we never share or sell it to anyone. All documents that Atlys provides are issued directly by the respective governments, so you can be sure you're getting the most accurate information available. We only use your information to get you your visa.

Is Atlys legit ?

Yes! Atlys is a legitimate service that provides accurate and up-to-date information. All documents, including visas that Atlys provides, are issued directly by the respective governments, and we integrate only with official sources to make sure their authenticity is guaranteed.

Are the visa fees accurate ?

Yes. Atlys uses trusted government sources to provide the most up-to-date visa fees and information.

What payment methods work with Atlys ?

You can use credit cards (Visa, Mastercard, and American Express), debit cards, mobile wallets, and dozens of other payment cards worldwide.

Is Atlys free to download ?

Yes. You can download the Atlys app for free. You are only required to pay once you're ready to apply for a visa. If your trip is not in the near future, you can use Atlys to explore your specific visa information. Only pay once you're ready to apply.

Do I need to purchase a subscription for Atlys ?

No. Atlys is not subscription based, and you're not required to make any payment to use the app. You only need to pay once you're ready to apply for a visa. All other Atlys features are free to use.

Are there any automatic charges from Atlys ?

No. There are no hidden fees or additional charges. You only pay per visa you want to apply for.

Is Atlys expensive ?

Our pricing model is uniquely designed to allow all travelers to apply for a visa. In addition, you have the right to know what you are paying for. Therefore, we've created a price breakdown that showcases the exact visa fees, profit for Atlys, and other hidden government costs that you might need to learn about.

Is my credit card information safe ?

Yes. Atlys does not store, retain, or use your credit card information once the transaction is completed.

The government website/portal is down. Can I use Atlys to get my visa ?

Yes. You can use Atlys to apply and pay for your visa (even if government websites and payment portals are down and not working). This is possible due to Atlys's integration with many government entities.

Do I get a refund if my visa is rejected ?

Unfortunately, you will not receive a refund if your visa is rejected. The visa fee is primarily used by the government for administrative purposes and cannot be refunded.

Can I pay the visa fees online ?

Yes. You can pay your visa fee directly on the app—making visa payments easy and painless.

Do the visa fees cost less if I'm invited by a friend or a family member ?

Unfortunately, you will not receive a refund if your visa is rejected. The visa fee is primarily used by the government for administrative purposes and cannot be refunded.

Why do I need to pay the visa fees ?

The visa fee is an additional fee that is charged by the government when a person is issued a visa. This fee helps to cover the cost of issuing a visa, and it is not refundable even if the visa is denied. This money goes towards things like employee salaries, office supplies, and other costs associated with running a visa program.

Will Atlys process my visa ?

No. After paying the visa fee, your application is immediately submitted to government officials, who will review and process your visa. Any documents, including visas that Atlys provides, are issued directly by the respective governments.

Can I use Apple pay to pay my visa fees with Atlys ?

Yes. You can easily pay your visa fees using Apple Pay. Here's how:

1. On Checkout, tap on Pay

2. Wait for the popup to load, and then you should see Apple Pay at the top.
3. Tap on Apple Pay and double-tap to confirm.

Why is the visa fee different from yesterday ?

There are a few reasons why visa fees might change overnight. Some factors can cause fees to be different from the previous day. The most notable reasons include the following:

- Current exchange rate.
- Government changing visa fees due to new regulations or policies being implemented.
